Re: AU Docket No. 06-30

Dear Ms. Dortch:

On February 6, 2006, Tom Sugrue and Kathleen Ham representing T-Mobile USA, Inc. ("T-Mobile"), conducted a teleconference with Leslie Marx and Evan Kwerel of the Office of Strategic Planning, and Margie Wiener of the Auction Division of the Wireless Telecommunications Bureau to discuss the above referenced proceeding. The T-Mobile representatives sought clarification of the Commission's alternative idea of allocating the AWS licenses among two different auctions run simultaneously and expressed initial concerns about the approach. The representatives also sought clarification of the Commission's proposal to withhold certain bid and bidding information during the course of the auction.

Pursuant to section 1.1206(b) of the Commission's rules, an electronic copy of this letter is being filed.

Sincerely,

/s/ Kathleen Ham  
Managing Director - Federal Regulatory Affairs
